2ND SHOW @ 5.30pm

FRIDAY 6TH December
LN1 News

Students in LN1 have been working extremely hard to get their country projects finished. We have had a lovely response from some parents to come and share knowledge about their country and we will be enjoying a number of cultural dances in the next week. We are planning to have an end of year multi-cultural lunch and book launch to celebrate our learning. This will be on Tuesday 17th December. Parents are invited to participate and a letter home will be coming shortly.

As part of their research into their family’s country of origin students have enjoyed a visit to the Hume Global Learning Centre and have worked on developing their computer research skills. They have been collecting lots of information and are now at the sorting stage. Any parents are welcome to come and work with a group during the literacy session from 9:30 – 11:00am.

Next Tuesday is our Whole School Transition. Students will be moving to their 2014 home groups, during the morning session, to meet their new teachers and class members. This is a big day for our grade 2s as they head off to a new neighbourhood, some children are feeling excited about the move, whilst others are no doubt nervous. We endeavour to make this transition as smooth as possible and we ask parents to reassure and talk to their child about this.

With the end of year drawing near students need to return their home reading folders, so that we can reuse them in 2014.

Have a great time at the Dimboola Festival! Our students are already put on a show for you.

Jodie, Rosie, Marija, Beth, Rob, Karen, Marty & Laura

THE NEWS FROM LN2!

This week the students discovered how the world of shapes can be connected and how measurement is used in real life. The students invented junk bots or cooked during Maths sessions. There were very creative junk bots made and were labelled with the properties of the shapes used. The mini cupcakes were cooked with much enthusiasm and the ingredients were all measured accurately using scales or measuring cups and spoons. Next week the students will swap activities. We would like students to bring boxes, containers, lids from milk or juice bottles and cartons from home to use for a junk bot project. Thanks for your assistance.

In English sessions, the students have continued to work on their Space information text. We have used data charts to record our research and used this information to write the report. Topics include The Planets, Sun, Asteroids and Stars.

The Dimboola Road Festival is always an important occasion for our students. We have been finished our rehearsals and look forward to presenting our acts on the main stage at the Festival. We look forward to seeing you at the Festival tomorrow and enjoying all the fun and exciting happenings.

LN2 Team: Nicole Cromie, Krystina Simpson, Paula Gaughan, Julian Tovey, Mori Milholland and Marty Claybourne.

LEARNING NEIGHBOURHOOD 3

News Around The Clock!

The end of year festivities is now approaching. Tomorrow the school will be celebrating the Dimboola Road festival for the fourth time. The expectation is for all LN3 students to be participating in the class item and to support the younger students on the day. The festival is a time to reflect and celebrate the successes this year.

This week, the curriculum for literacy and numeracy are continuing as per usual. Mini lessons and selected tasks are planned to the last days of the school year. Students will be continuing with their independent reading and
Year 7 Transition Day is held on the 10th of December. All students who are attending a local government school are to attend the day. On this day, the grade 5s will be taking part in the Broadmeadows Valley Whole School Transition, where they will be in their 2014 Home Groups with their new teachers.

**Graduation Updates:**

I strongly encourage the remaining families to return their forms as soon as possible. Importantly, this year there will be 4 tickets for each family. There will be no standing room available. The Grade 6s will have their own seat and do not require a ticket.

To clear any confusion, the students are to be dropped off at the Broadmeadows Hume Global Learning Centre at 6:00pm. After the student-teacher dinner, all staff and students will be walking back to school to commence the main ceremony, which is at 7:30pm.

**Friday the 6th of December**
**Out of Uniform Day**
**For all students at BVPS**

The children will be dismissed at 2:30
