

**When I use technology at school I have responsibilities and rules to follow. I agree to:**

- use the technology for learning, this includes the use of computers, digital cameras, personal mobile phones and other mobile devices.
- follow instructions at all times.
- protect the privacy of myself and other students and never post private information regarding myself or other students using SMS and online forums/chat (Edmodo, YouTube, MSN, Facebook etc.) and protecting my passwords.
- use the equipment properly and not interfere with the work or data of another student .
- not change the settings on any equipment. (e.g. wallpapers on shared desktop computers)
- not access or listen to any sites, images, sounds, videos or games that are offensive, violent or rude, including language that is not acceptable.
- only take photos and record sound or video when it is part of a class or lesson and ask for verbal consent before filming.
- talk to my teacher or another adult if I need help or feel unsafe using the Ultranet, Internet or any other digital technology.

**I acknowledge and agree to follow these rules. I understand that my access to the Internet, Ultranet and digital technologies at school will be renegotiated if I do not act responsibly.**
