

When I use technology both at school and at home I have responsibilities and rules to follow. I agree to:

- use the technology for learning, this includes the use of computers, digital cameras, personal mobile phones and other mobile devices.
- support others by being respectful in how I talk to and work with them and never write or participate in online bullying. This includes forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviour.
- protect the privacy of myself and other students and never post private information regarding myself or other students using SMS and online forums/chat (Student Share, YouTube, MSN, Facebook etc.) and protecting my passwords.
- use the equipment properly and not interfere with the work or data of another student .
- not bring or download unauthorised programs or files, including images, songs or games, unless directed by the teacher.
- not change the settings on any equipment. (e.g. wallpapers on shared desktop computers)
- not access or listen to any sites, images, sounds or videos that are offensive or rude, including language that is not acceptable.
- only take photos and record sound or video when it is part of a class or lesson.
- seek permission from individuals involved PRIOR to taking photos, recording sound or videoing them (including teachers).
- talk to my teacher or another adult if I need help or feel unsafe using the Ultranet, Internet or any other digital technology.

I acknowledge and agree to follow these rules. I understand that my access to the Internet, Ultranet and digital technologies at school will be renegotiated if I do not act responsibly.
