Swimming has continued into the 2nd week and it has been terrific to see a noticeable improvement in the confidence and skill level of our students. Water safety, including safe entries to deep water, have been a focus of the program and the children are having a lot of fun in the ‘deep end’!

Upcoming Events – as we move towards the end of the year, there are a number of dates to keep in mind:

Monday 28th November – Wildlife Exposure Incursion – students are looking forward to having the opportunity to get up close to some unique animals from around Australia, including frogs, pythons, crocodiles and turtles.

Friday 2nd December – Responsible Pets Program – students will learn about responsible pet ownership and how to interact safely around pets.

Thursday 8th December – BVPS Festival – students are excited about performing at the festival with their home group.

Until next week, Rob, Cyndi, Jamielee and Wendy

This week the CERES mobile energy classroom visited BVPS!

We had such a great time learning about energy and how we can become more sustainable. It was awesome riding the bikes to create energy and power so many things we use every day.
CAMP! CAMP! CAMP!
We all had the best time and are devastated it went so quickly! Here are some comments from the students and teachers as well as some pictures from Camp Coonawarra!

Monica: My favourite part of camp was Broadmeadows Got Talent, everyone had fun and found the skit our group did really funny. It was a great time.

Laki: I loved everything. The food was awesome, I ate sooo much food, I have never eaten like that. Seconds? Yes, Please!

Anthony: The swimming pool was an awesome way to finish off an awesome camp. I has the best time!

Brylee: The raft making was the best. It was fun working in a group and working with people I don't normally work with. Camp was an unreal time!

Zane: The flying fox was the best. It was fun flying over the lake because I was going so fast and it was a beautiful view.

Santhia: The Giant Swing was scary. I got pulled up 15 metres into the air and then had to pull a rope which made us drop down. It was so scary.

Mr Cripps: Horse Riding was unreal. Lily (My Horse) and I had the best time trotting around the country side. I am going to miss that horse!

Veronika: The night hike was fun. We were lucky enough to see the Super Moon which only happens once every 78 years. It was scary and pretty all at the same time.
