

LN1 HEALESVILLE SANCTUARY EXCURSION

Details: LN1 are going on an excursion to the Healesville Sanctuary. This will be a wonderful and rich learning opportunity for our students and they are expected to attend as it is part of their learning. Apart from general viewing students will participate in a day run education session titled *Aussie Animal Adventurers*.

During the excursion students will:

- *have opportunities to make emotional connections with animals and the natural world through facilitated activities and actively exploring the natural spaces around them*
- *learn about different kinds of animals and their body coverings, features, habitats and life cycles*
- *be supported to create their own personal learning journey, working in small groups and asking questions*
- *discover Australian animals from an Aboriginal perspective*

The experience will also provide students with the opportunity to see Australian wildlife up close, including some of our local endangered species and experience our *Spirits of the Sky* and *Tales from Platypus Creek* shows.
